Coaches must not have any player play the same position more than twice in a game and should rotate them in the infield and outfield	x
Players must rotate positions. A player cannot play the infield for more than two consecutive innings; and can play only one position twice (ex: 1st base twice during a game). Example of Rotation: -First Base (1st inning) -Second Base (2nd inning) -Centerfield (3rd inning) Or -Shortstop (1st inning) -Third base (2nd inning) -Right field (3rd inning)	x
Coaches are responsible for the conduct of themselves, their players, and the parents during the game and/or practice.	x
One Junior Umpire will be provided.	x
Only players, coaches, parent volunteers and scorekeepers are allowed on the bench or in the dugout. Younger siblings are refrained from entering the dugout for safety purposes.	x
One coach can be on the field with their defensive

team to help players with positioning.	x
Players missing 8 or more games during the season may not qualify to play in the year-end tournament. Coaches must inform the WSSA Board of Directors and a ruling will be made.	x
Teams must have 7 currently registered players to play a regulation game. Six players must be from the original team list and all others from an equal or lower division to make it up. The players who were brought up to complete the team must continue to play. Permission to play with less than 6 original team members must be given from the WSSA Board of Directors or at the permission of the opposing coach.	x

6. Game Play

Rule	U9
All games will be seven innings or as time permits. No new innings shall begin after 1 hour (e.g. no new inning after 8:00 pm). There will be no hard stop rule. This will be re-evaluated if times delay the game, due to the set up of the diamond.	x
Coaches are requested to have their temas at the park, ready to begin by their appointed times.	
The game may begin with a minimum of 6 players, but a 7th player must be ready to play within 30 mins of the scheduled start time and will be added to the end of the batting order. Any player who is late is allowed to play.	x
Innings - games will start at 7:00, following the team practice (6:30-7:00).	x
No forfeits will be granted unless to play would be considered unsafe.	x
Lineup - players may be added to the batting line up if they arrive late, at any time during the game.	x
Batting/Offense - home team will bat though their entire line up (everyone bats), followed by the opposing team. Outs are not tracked.	x

WSSA House League Softball Rules of Play

<p>If the final 'pitch' to a player is hit foul, one and only one additional attempt to hit will be allowed.</p>	
<p>Pitching - players will receive 5 pitches from a coach. If the fifth pitch is hit foul, the player will be permitted one, and only one, additional pitch.</p> <p>The coach must pitch from within the circle (8 feet round the pitcher's rubber) to their team. The defensive pitcher must stand inside the 8 foot circle while the offensive coach is pitching to their team. After a hit, the play is halted when the defensive pitcher has the ball back in the circle.</p> <p>The coach should wear a glove (only to be used in self-defense).</p> <p>The coach cannot touch the ball or interfere with the play of the ball. If the adult pitcher is hit, the ball is dead and the count resumes. If the defensive team's pitcher is hit, the ball is fair.</p> <p>Starting Week 6 - the first 3 pitches to every batter will be thrown by the defensive pitcher. Should the ball not end up in play and an out not obtained, the offensive coach will pitch the remaining 2 pitches.</p>	x
<p>Defense - the defensive team will field the ball and attempt to get the opposing team out; however outs are not tracked.</p>	x
<p>Overthrows/Out of Play - an out of play ball is a ball thrown over or past the screen along the first or third base line. If the screen does not extend that far, then a visual extension of the fence is the line.</p> <p>Once a ball is thrown out to play, the base runner gets two bases from their position at the time of the throw.</p> <p>Overthrows are any ball thrown which does not get controlled where it was intended. Overthrows that do not get out of play are live balls and runners may advance at will. The runners may no longer advance and the play is considered dead when any player controls the ball in the infield without a visible desire to make a play. This is evidenced by the player holding the ball with arms relaxed in front of or beside their body. Arms raised in a pre-throwing type position show a desire to make a play.</p>	x
<p>Any player throwing a bat will be called out. If, at</p>	

WSSA House League Softball Rules of Play

the umpire's discretion, the batter threw the bat intentionally, the player will be removed from the game. No warnings need to be given.	x
Rovers or additional players are permitted to ensure everyone gets a change to play.	x
Coaches are encouraged to rotate players in different positions, ie., for the first 3 batters player 1 will play 1st and then will move to the field, etc.	
Dropped 3rd Strike and Infield Fly rules do <u>NOT</u> apply.	x
Bunting is not permitted.	x
<p>Inclement Weather - The Town of Stouffville can cancel permits if the diamonds are too wet and unsafe. They will send the WSSA an email by 4:30.</p> <p>The WSSA can cancel games if the inclement rain is continuous and doesn't stop by 6:00.</p> <p>Coaches must check their email for updates regarding inclement weather, and communicate so with their teams.</p> <p>If there is no cancellation announced or the inclement weather starts after the practice/game has started, it is to the discretion of the coach whether to cancel the game.</p>	x
<p>The Ontario Sanctioned 30/30 rule is in effect:</p> <p>If you hear thunder within 30 seconds of seeing lightning, leave the field immediately and find safe shelter. Safe shelter is considered to be inside a substantial building, away from doorways and windows. Dugouts are not permitted.</p> <p>Wait 30 minutes after the last sound of thunder before returning to the field.</p>	x
Games will be rescheduled IF time permits and diamonds are available.	
Score is not reported; however, a coach can keep score for their team only if preferred.
